Mr. Dwayne Hunn
359 Jean Street
Mill Valley, CA 94941

Dear Dwayne:

Thank you for your recent letter. I enjoyed speaking with you at the NorCal Returned Peace Corps Volunteers meeting in San Francisco regarding the American-Soviet Peace Corps proposal. It's always good to hear feedback and suggestions from RPCV's. You will be pleased to know that meetings with Congresswoman Boxer and Congressman Kennedy have already been scheduled to further discuss this proposal.

Your interest in our Urban Initiative is also most appreciated. I, too, feel Peace Corps should actively return to the cities, where Volunteers can have a significant impact on the development of these urban areas.

Again, thank you for your letter and information regarding the American-Soviet Peace Corps proposal.

Sincerely,

Paul D. Coverdell
Director
United States Peace Corps
